KITCHEN MATS

AQUA FLO™ FLOOR MAT

The Aqua Flo mat is ideal for dry or wet environments. This light weight, flexible mat is perfect for use in food service and industrial areas. This mat offers an all-rubber construction with drainage holes that allow liquid and dirt to pass through. The anti-microbial additive helps to reduce the risk of bacterial growth.

FOOD SERVICE MATS

We offer a complete line of floor mats to protect all areas of food service businesses, from the front entrance to kitchen. No matter the need, we have you covered!
